FERRARI CHALLENGE EUROPE 2026

INFORMATION N.2

From Stewards of the Meeting
To All Competitors
c.c. Race Director, Clerk of the Course, Timekeepers

Following a review of driver behaviour during the Free Practice sessions, it is evident that numerous drivers are repeatedly exceeding track limits at the exit of Turn 5 and between Turns 7 and 8.

As stated during the Drivers' Briefing, drivers are required to respect track limits at all times, even in corners where no dedicated track limits camera is in operation.

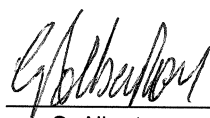

Starting from tomorrow's Qualifying session, any track limits infringement at the exit of Turn 5 and between Turns 7 and 8 will result in the cancellation of the relevant lap time.

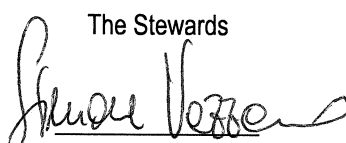

During the races, track limits infringements at the exit of Turn 5 and between Turns 7 and 8 will be counted toward the issuing of time penalties, on the same basis as those detected by the dedicated Track Limits cameras.
